

BENEFACTOR PROSPECTUS

2025 ANNUAL MEETING

May 7-11, 2025

QUEBEC CITY, QUEBEC

WELCOME

DEAR BENEFACTOR PARTNERS,

We are pleased to invite you to participate in the 66th Annual Meeting of the Noah Worcester Dermatological Society to be held May 7-11, 2025 at Fairmont Le Chateau Frontenac in Quebec City, Quebec.

The Noah Annual Meeting is one of the premier dermatology meeting in the United States, and the Society members comprise the top names in dermatology. This meeting is unique in that benefactors are welcomed into the fold as members with access to all scientific and social events during the week - the opportunities for one-on-one interaction with physicians are unparalleled. This is the friendliest, most collegial, and most welcoming group in dermatology.

We have a top-shelf continuing medical education meeting that brings together more than 100 thought leaders in dermatology and industry. There are opportunities for non-CME sessions in Quebec City – our non-CME sessions are extremely well attended with lively discussion after each presentation.

If you have any questions, please feel free to visit [www. noahderm.org](http://www.noahderm.org) or contact **Nicole Brandt**, Noah Executive Director, or me directly at my office if I can be of any assistance (314-368-5346), gmlewitt@illinoisderm.com

We look forward to seeing you in Quebec City!

Sincerely,

Michael Lewitt, M.D.
